M12 PCB Panel Mount

<https://www.finecables.com/m12-pcb-panel-mount-x-coded/651/>

Product description	M12 X-coding Female Straight Connector, PCB Panel Mount, Without Screw, Front fastened, Shielded, Contacts: 8, IP67 / IP68
Part no.	MB12FBSXFI08ST

Illustration

Scale drawing

You can find the assembly instructions on the next page.

General features

Part no.	MB12FBSXFI08ST
Standard	IEC 61076-2-109
Ambient temperature	-25°C ~ +90°C
IP rating	IP67, IP68 in locked condition
Mating endurance	>500 cycles

Electrical parameters

Insulation resistance	≥100MΩ
Contact resistance	≤10mΩ
Shielding	Available
Rated current	0.5A
Rated voltage	50V AC; 60V DC

Material

Connector insert	PA
Connector contacts	Brass with gold plated
Coupling nut/screw	Brass/Zinc with nickel plated
Seal/O-ring	FKM

Security Notices

The connector must not be plugged or unplugged under load. Non-observance and improper use can

result in personal injury.

The connectors have been developed for applications in plant engineering, control and electrical equipment construction. The user is responsible for checking whether the connectors can also be used in other areas of application.

Connectors which are used in circuits with voltages dangerous to the touch may only be installed and used by, or under the supervision of, persons with electrical engineering training, taking into account the applicable regulations and standards.

The user must take suitable safety precautions to ensure that the connector cannot be accidentally disconnected.

Please observe the pollution degree and the overvoltage category. For further information, please refer to the download center "Technical Information".
